Garlic & Onion

Staples in all types of cuisine, BCFoods offers many types of onion and garlic from our global network.

- Sustainably grown
- Clean label
- Optimum quality
- Available in various cuts and sizes

Citrus Peel

Upcycled from citrus used for juicing, this is a sustainable option for teas, beers, spice blends, and food flavoring.

- Sustainable product
- Optimum quality
- Clean label
- Available in various cuts and sizes

Herbs & Spices

Add flavor without the sodium. We recently expanded our herbs and spices offerings.

- Optimum quality
- Clean label
- Available in various grinds and cut sizes

Custom Blends

We can produce pre-blends or your entire formulation, ready to use in your desired packaging. BCFoods standardizes your formula to ensure 100% accuracy every time.

- Optimum quality
- Clean label
- Standardization
- Large or small scale runs
- Manage one SKU instead of many
- We hold and manage your inventory

Fruits

Great options for healthy snacking and natural low sugar foods.

- Optimum quality
- Clean label
- Available in various cuts and sizes
